

What is a School Parent Compact?

The School-Parent Compact is an agreement that parents, students, school staff and teachers develop together. It explains how parents, students, and teachers will work together to make sure all our students reach grade-level standards.

The North Douglas Elementary School Parent Compact:

- Is aligned to the goals on the School Improvement Plan
- Focuses on student learning skills
- Describes how teachers will help students develop those skills using high-quality instruction
- Shares strategies parents can use at home
- Explains how teachers and parents will communicate about student progress

Team Effort

North Douglas Elementary School parents, students, staff, and teachers contributed to the development of this Compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them. Meetings are held throughout the year to review the Compact and make changes based on input received. Parents can contribute ideas by contacting:

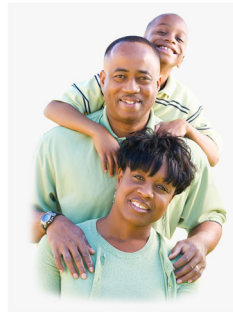

Principal Pamela Wooley

Email: pamela.wooley@dcssga.org

Phone: 770-651-4800

Parent Resource Center

North Douglas Elementary School provides many opportunities that parents can utilize to help their children succeed. The **Parent Resource Center** (PRC) offers a variety of resources such as educational games, books, workbooks and other materials. Parents may use materials in the center, or they may take advantage of the lending library to check out resources for home use. There are also parent workshops and meetings scheduled throughout the year that include topics such as reading comprehension, math strategies, S.T.E.M. activities, and test taking skills.

Communication about Student Learning

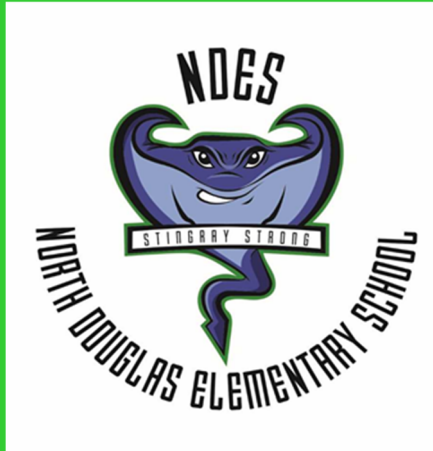

North Douglas Elementary School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you include the following:

- Communication folders "Stingray Express" will be sent home weekly with additional school information on Tuesdays.
- Teachers and parents will utilize Class Dojo as a communication tool.
- Parent-teacher conferences will be held twice per school year.
- Progress reports and report cards will be issued quarterly.
- Updates will be posted on the school and district websites as well as calling post from the principal.

DOUGLAS COUNTY SCHOOL SYSTEM

SCHOOL-PARENT COMPACT 2022-2023

Second Grade Focus For Student Success

REVISED August 30, 2022

Our Goals for Student Achievement

Douglas County School System

The percentage of students scoring at Proficient or Distinguished Learner on the Georgia Milestones (GMAS) English Language Arts and Math End of Grade Assessments will increase by six percentage points.

North Douglas Elementary School Goals

The percentage of students scoring at Proficient or Distinguished Learner on the Georgia Milestone (GMAS) English Language Arts and Math End of Grade Assessments will increase by six percentage points.

Focus areas:

- ⇒ Addition and subtraction fluency
- ⇒ Reading fluency and comprehension

A copy of the School Improvement Plan is available for review on the school website and a paper copy is available upon request.

BUILDING PARTNERSHIPS

At North Douglas Elementary, parents are encouraged to volunteer and participate in their child's classroom. We do request that you schedule these visits with the teacher at least 24 hours ahead by calling or making a written request to volunteer or observe in the classroom.

TEACHERS, PARENTS, STUDENTS TOGETHER FOR SUCCESS

IN OUR SECOND GRADE CLASSROOM

The second grade teachers will work with students and their families to support students' success in reading and math:

- Provide strategies and resources to help families increase their child's fluency and comprehension in reading and math.
- Utilize weekly communication folders "Stingray Express" with additional school information.
- Provide monthly newsletters that feature upcoming reading and math standards to be taught.
- Offer events and resources through our Parent Resource Center that address content related to math, reading, and science throughout the year.

AT HOME

North Douglas Elementary School parents joined staff to develop ideas about how families can support students' success in reading and math. Some of our key at-home activities will be:

- I will have my child read aloud to me least 15 minutes each night and use provided resources to check for fluency and comprehension.
- Utilize math resources to help increase my child's math fluency.
- Check my child's Stingray Express for monthly newsletter to note upcoming reading and math standards and other opportunities.
- Attend parent/teacher conferences to discuss my child's progress towards meeting goals.
- Try to utilize the events and resources that are offered or get information from the Parent Resource Center if unable to attend.

NORTH DOUGLAS ELEMENTARY SCHOOL STUDENTS

North Douglas Elementary School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in reading and math. Students thought of the following ideas to make connections between learning at home and school:

- Read nightly aloud for 15 minutes to practice for fluency and comprehension.
- Practice math facts using strategies that I have learned in class.
- Bring home communication from my teacher to my family each day.
- Gain extra practice by completing homework.
- Bring home communication about events and resources in addition to any other school activities that enhance my ability to learn.

DO YOU HAVE QUESTIONS ABOUT YOUR CHILD'S PROGRESS?

It is our goal to provide reasonable access to school staff. All teachers have a phone number and an email address. Access both the phone number and email address on our school website at <https://ndes.dcssga.org>. Please call the school at (770) 651- 4800 for more information.
